MORE THAN A BOOTH. A SOLUTION.

Powerful and Significant

SAMPE 2021 is the only technical conference and exhibition exclusively dedicated to advanced materials and processes. The exhibition features the latest technologies and research advancements concerning the advanced materials and processes community.

SAMPE EXHIBITIONS DELIVER

AT SAMPE 2021 LONG BEACH YOU CAN:

- Close deals with qualified attendees who have the power to make decisions.
- Generate new revenue streams by broadening your client base.
- Explore business opportunities and meet new partners.
- Build a new prospect database and network.
- Meet, maintain, and improve relationships with existing customers.
- Find partners and agents that will expand your business in new markets.
- Raise your company profile, brand, and awareness.

FACTS

- SAMPE is the leader of advanced materials and processes education and exhibitions in the world.
- Events with strong history and successful track record.
- SAMPE exhibit space rates are the most reasonable in the industry.
- Powerful audience in significant markets.
- Thousands of buyers from 48 states and 32 countries.

“Over my two plus years at TeXtreme, SAMPE has resulted in the most follow-up activity compared to other events in the Aerospace segment. As a result, I have several new customers, received some new orders, and have a number of companies now doing internal characterization studies on TeXtreme.”

Lori Herren, Sales Manager – Aerospace and Industrial, TeXtreme

BECOME AN EXHIBITOR TODAY

Follow these 5 easy steps to secure your presence.

STEP 1

Make the decision to participate at SAMPE 2021. Exhibit space rates starting at \$3,400.
